

How to Make a CARDBOARD TUBE STRIPY HORSE

You will need:

Scissors

Glue stick

Felt tipped pens, coloured pencils or crayons

Cardboard tube from the centre of a toilet roll

Colour in the body, head, arms, legs, tail and mane.

Cut carefully around the outside edges of each body piece and fold along the dotted lines (see sketch).

Wrap the body section around the cardboard tube and glue in place.

Cut along centre line of neck as marked.

Slide the mane into the slot in the neck. Glue in place.

Glue along the bottom edge of the neck and stick it to the inside of the front of the tube.

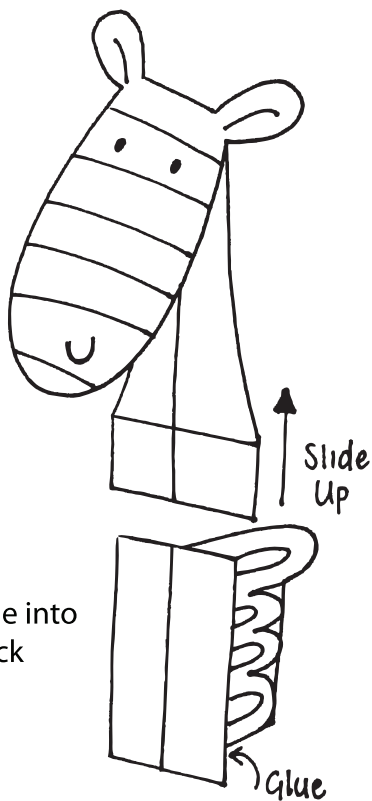

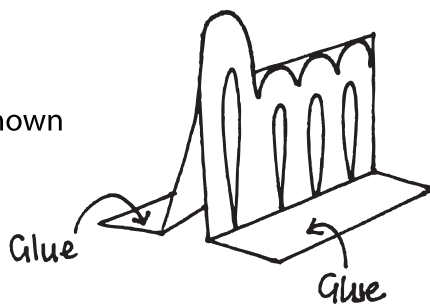

Glue the flaps along the top edge of each arm and stick them to the inside of the top edge of the tube (on either side of body).

Glue the flaps on the top of each leg and stick to the inside of the bottom edge of the tube (towards the front).

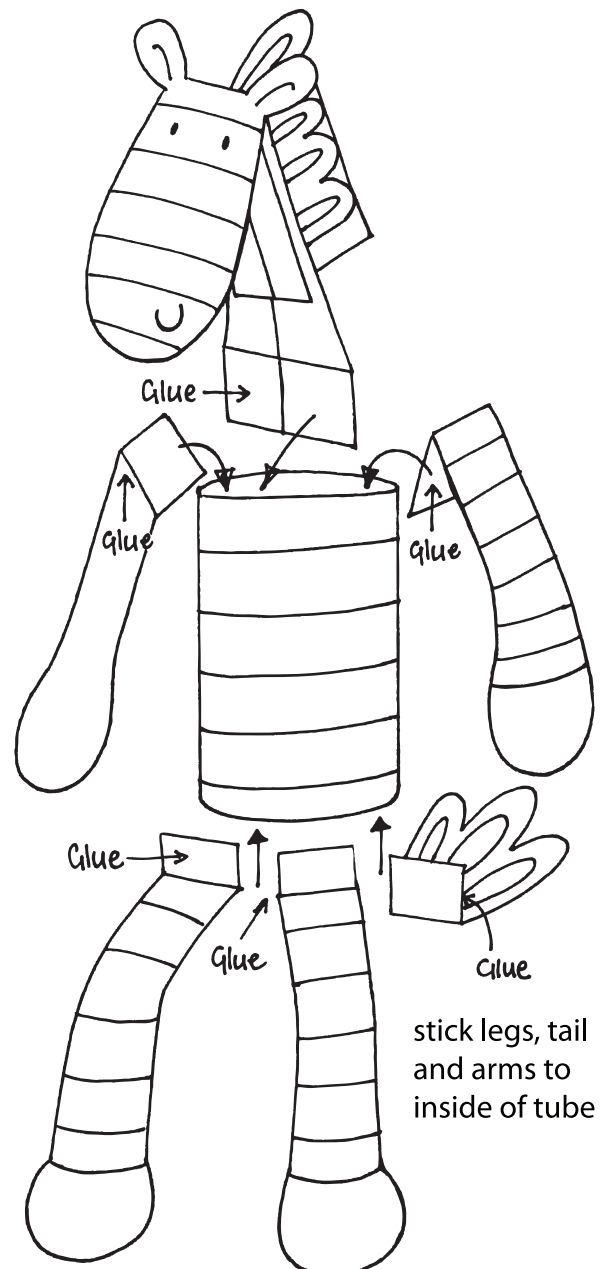

Glue the tail flap and stick to the inside of the bottom edge of the tube (towards the back).

Leave glue to dry then sit Stripy Horse on a shelf in your room.
